

# PROJECT SHEET

## X-Press It® Googly eyed blob magnets

### STEP BY STEP

#### WHAT YOU'LL NEED

- X-Press It Tripletac Glue
- X-Press It Micro Fine Glitter
- Baking Paper
- Magnets
- Googly Eyes

Available in  
10 Colours

#### INSTRUCTIONS

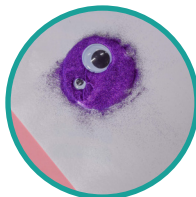

**Step 1:** Place the magnet on the baking paper and pour a random blob of the X-Press It Tripletac over the magnet.

**Step 3:** Once fully covered with glitter, place your googly eye onto the glue. You can make the glue blobs have as many eyes as you want!

**Step 2:** Cover the blob with X-Press It Micro Fine Glitter.

**Step 4:** Allow to dry for at least 48 hours. Once dry, remove from the baking paper and now your googly eyed blob magnets are ready to goggle at you!
